**Debbie Nelson & Associates Accept Two Matrix Awards**

Greenville, S.C. (June 30, 2008) - Debbie Nelson & Associates, LLC (DNA) was presented with two awards at the annual Matrix Awards. The first award presented to DNA was for an Annual Report of 4 or More Color. They received this award for their work on the Spartanburg Water 2006 Water Quality Report. The second award was in the category of Direct Mail Packaging for their work with South Sport.

The awards were presented by the Greenville Chapter of the Association for Women in Communications (AWC). The Association for Women in Communications is an international professional organization that champions the advancement of women across all communications disciplines. The Matrix Awards competition is open to all professional communicators in the Upstate.
